NO CLASSES

CLASS DESCRIPTIONS:

Adult Water Aerobics- Stretch, tone, and improve cardiovascular fitness through water aerobics in this moderately paced class.

AI Chi (Flowing Aquatic Energy)- AI Chi marries the eastern art of Tai Chi with aquatic therapy. It promotes improvements in balance, flexibility, deep breathing, muscle strength and coordination. The harmonious flow of water, mind, body and spirit!

Aquasize- Aquasize is a resistance exercise program used to build strength and endurance utilizing specialized water fitness equipment. Appropriate for all fitness levels.

Arthritis Foundation Aquatic Program- The Arthritis Foundation is collaborating with our aquatics team to conduct the Arthritis Foundation Aquatic Program. These classes include a series of pool activities that are led by certified Arthritis Foundation instructors. Participants are guided through a series of movements, designed by exercise specialists, geared to reduce the pain and stiffness associated with arthritis. With the aid of water's buoyancy and resistance, participants improve flexibility, strength and range of motion. Swimming skills are not required.

Arthritis Water Exercise- Participants are guided through a series of movements, designed by exercise specialists, geared to reduce the pain and stiffness associated with arthritis. With the aid of water's buoyancy and resistance, participants improve flexibility, strength and range of motion. Swimming skills are not required.

Deep Water Workout-. A moderately paced, no-impact workout that includes warm-up and strength work. Utilizing specialized water fitness equipment, this class is conducted in deep water. Participants must feel comfortable in deep water.

Senior Water Aerobics - Stretch, tone, and improve cardiovascular fitness in this slower-paced class designed with the mature active adult in mind.
